Physician's Telephone Number Fax Number

I request that this medication/procedure be administered at school, pertinent information be shared with school staff, and school staff may contact my child's doctor if necessary. Medication will be supplied in its original container. This order is in effect for this school year. I will notify the school of any changes and obtain a new physicians order. I release the school district from liability claims as a result of the administration of this medication or procedure as directed.
